**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition for retiree. I have limited income every month. Sonic offer fair competitive price and excellent signal on internet. I do not need to waste time to download a program. I use to have ATT for long period of year. The annual charge was higher when I renew contract every year. At least Sonic did not charge that much.
